

ATLANTIC COUNTY

ACUA

OBLITTERATORS

Join us in the fight against litter in Atlantic County! Your business can be an integral part of preventing litter by “adopting” the area surrounding your property and performing regular cleanups. You can also help by encouraging patrons to dispose of their trash responsibly and providing accessible trash and recycling cans. Help us put an end to litter like this by joining our cause!

ACUA can provide cleanup supplies to your business at no cost. Please contact rturygan@acua.com for more information.
