

Title:
Mechanic I
Level:
1
FLSA Status:
Non-exempt

Division:
Centralized Maintenance
Department/Location:
Facilities and Fleet Services
Employment Status:
Regular Full Time

SUMMARY

This position reports to the Fleet Services Group Leader. This position performs scheduled and unscheduled maintenance and repair of all company vehicles, equipment, and machinery.

RESPONSIBILITIES

- Perform scheduled and unscheduled maintenance and repair of all ACUA vehicles and equipment.
- Ensure a safe working environment with compliance with all ACUA safety regulations.
- Assist Mechanic II and III, if necessary, with vehicle and equipment repair services.
- Perform preventive maintenance services and safety checks on Authority equipment.
- Enter, review, research data and process work orders using the asset management system.
- Clean and wash equipment and machinery as necessary. Perform routine lube, oil, filter changes and all related vehicle maintenance.
- Remove, mount, repair and replace tires as required.
- Clean shop area, working in a neat and orderly fashion.
- Assist with maintaining and repairing all Authority owned facility machinery and equipment to run effectively.
- Verify the correct work is being done using the correct tools and parts.
- Perform other duties as required.
- As needed and/or directed, assist the ACUA with its environmental mission and commitment to excellent customer service, to include but not limited to: serve in an advocacy role, help with site tours when requested, volunteer for events and activities that the Authority participates in or sponsors, and volunteer for community service, etc.
- Remain compliant with all training requirements for this position. The training requirements for this position are located on InsideACUA in the Employee Resources section (Blue Box) under Training Resources.

MINIMUM EDUCATION AND EXPERIENCE REQUIREMENTS

- HS diploma or GED
- Minimum of 1 year of documented, related work experience
- Diesel related mechanical experience

ESSENTIAL SKILLS, KNOWLEDGE, AND ABILITIES

- Valid driver's license in good standing
- Valid commercial driver's license (CDL), Class B, with an airbrake endorsement. *Candidates that do not meet the CDL requirement may be eligible for consideration but a CDL, Class B, must be obtained within 6 months of position appointment.*
- Ability to comprehend and execute written and verbal instructions
- Ability to analyze and troubleshoot problems
- Willingness to learn how to operate mechanical and electronic diagnostic equipment
- Ability to work overtime, weekends or holidays
- Ability to work during weather related and/or other emergency call-ins

PREFERRED QUALIFICATIONS

- ASE certification(s) a plus
